Herewith, we (=editors represented by 'FROM:') announce to put our **proceedings volume**

**TITLE: The SIGIR 2019 Workshop on eCommerce**

**SUBMISSION FILE NAME: eCOM19.zip**

on the WWW site CEUR-WS.org for online publication. We agree that the proceedings volume is **freely accessible** from the CEUR-WS.org and its **official mirror or archive sites**, in particular TIB.EU. We as editors of the proceedings volume confirm that the copyright is settled with the authors of papers in the proceedings as follows via a non-exclusive copyright transfer by the authors to us (=the editors of the proceedings volume):

**The papers' authors continue to hold the copyright of their papers. We explicitly hold the right to publish the proceedings as a whole (=collection of all papers) electronically and on any other media. We authorize CEUR-WS.org to implement the publication of the above proceedings volume as a free open-access publication.**

Further,

**we agree to publish the proceedings metadata including the bibliographic data of the proceedings as contained in the index file under the [Creative Commons License CC0](#) (public domain).**

We checked with authors that the right version of their paper is included. We have read and accept the legal disclaimer stated in <http://CEUR-WS.org/disclaimer.html>. We understand that we are the **publishers** of the above-mentioned proceedings volume at CEUR-WS.org. We understand that changes to a published volume are not possible. The only exception are corrections of misspelled author names, titles, affiliations in papers or in index.html indicated to CEUR-WS.org not later than **2 days** after the date of publication at CEUR-WS.org. We are aware that corrections on archived volumes are not longer possible. The deletion of a volume does not apply to the long-term archived copy of the volume (which is not publicly accessible).

**We followed the rules specified in [CEUR-WS.org/README.html](#) and have informed the papers' authors about them as well. We checked that our submission is free of the errors listed in [CEUR-WS.org/README.html#TOPERRORS](#).**
